

Good Shepherd Catholic Church

Dear Friend of Good Shepherd,

Planning and hard work are well under way for the Good Shepherd's Mardi Gras Ball and Auction on February 4, 2017. This year's event will take place at our own Good Shepherd Family Center. Our Mardi Gras Ball and Auction brings our community together, and the proceeds from this event will assist in the financial needs of our church and parishioners, support our community outreach programs and our pre-kindergarten through eighth grade school.

Good Shepherd needs your help to make our event a success and meet our fundraising goals. We are asking if you would help support our efforts by providing a product or service donation for our silent auction to be held at our Ball and/or you may wish to support our event through a sponsorship. Either way, your donation will help make our event successful, along with increasing your business' exposure to our parish community.

For your contribution, you will receive recognition in the Mardi Gras Ball program, as well as at our Mardi Gras Festival to be held February 23 – 26, 2017. Your company information will also be listed on the auction website and Parish website. If you would like, you may also promote your business by including promotional items to be displayed by your silent auction listing on the evening of the Ball.

Your business information -- both in print and online -- will reach not only church members but a wide and varied group as our event draws people from our community and all over the Central Florida area. We certainly thank you for considering our request.

If you have any questions or wish to discuss this further, please feel free to contact me via **407-234-0825 or email me at amarelisaponte@yahoo.com**

Thank you again for your consideration.

Sincerely,

Amarelis Aponte
